- Rear right: 1 medium induction zone with booster

Hob2Hood - Cook without distractions

This hob has Hob2Hood, a useful feature that automatically controls your cooker hood and lights. It means you don't get distracted by trying to regulate the fan when you're at crucial cooking moments: you can simply concentrate on getting your dish right. But if you'd rather adjust the fan speed

Perfect control

'Direktouch' controls use the very latest digital technology to ensure precise heat selection.

Intense rapid heat

Product Specification
