Product Benefits & Features

ComfortLift®: Effortless loading. Exceptional results

ComfortLift® raises a fully loaded basket 25cm for quicker, easier loading and unloading. As you pull out the lower basket, specially designed hinges smoothly bring it up to the same level as the upper basket.

SatelliteClean® Pro: Stubborn food residues, meet effective technology

The SatelliteClean® PROs double rotating spray arm efficiently delivers water from multiple angles. The result is 100% removal of stubborn food-residues in only 90 min without using extra water

EasyFlex Plus baskets offer versatility and secure glass care

Redesigned, EasyFlex Plus baskets glide smoothly and have three foldable rows to make room for hard-to-fit items. Rubber grips and anti-slip spikes hold stemware in place and prevent collisions. Cutlery drawer even fits whisks and ladles.

Control time and efficiency. On the display or in the app

SmartSelect Connect display and app show the length and energy-efficiency of each cycle. Clean fast in 60 minutes or save energy with the ECO cycle. Spotless results either way. The app offers loading, program, and maintenance advice.
