

#### Superior washing – in less than 1 hour. at only 30°C. gentle care for clothes

The 8000 PowerCare Washing Machine fits seamlessly with other appliances, makes less noise, and uses unique technology to quickly pre-mix detergent, then sprays it evenly on your clothes for remarkably clean laundry in under an hour even at 30°C.

### Product Benefits & Features

#### PowerClean - Complete stain removal, even in low temperatures\*

PowerClean 59 min provides complete stain removal in under one hour at 30°C.\* It ensures detergent reaches every fibre — so that a short cycle is as effective as a long cycle, ensuring stains are completely removed.

#### GARMENTS REFRESHED\*, WRINKLES REDUCED WITH STEAMREFRESH

Steam Refresh neutralises odours\* and reduces wrinkles on garments, including delicates, in just 25 minutes. And if you like an extra boost of freshness, just add our aromatic steam fragrance. Giving it that just washed freshness.

\*External test of PowerClean 59 min 30°C programme with 4 kg load shows 100% stain removal of over 50 most common household stains.

\* External test show neutralisation of cigarette smoke odour in a SteamRefresh cycle.

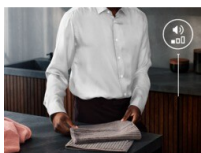

#### PROSENSE® REDUCES UP TO 30% OF TIME, WATER, AND ENERGY\* BY OPTIMISING EVERY LOAD

ProSense® automatically weighs each load to provide a tailored cycle. Sensors then adjust washing times precisely, providing optimum treatment for every garment. This can reduce your time, water, and energy usage by up to 30%\*.

#### Our low-noise machine minimises disruption to daily activities

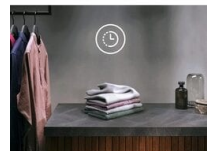

Engineered to run quietly, so you can do the laundry in a peaceful home. Won't interfere with cooking, conversation or mealtimes when installed in the kitchen. So enjoy your everyday activities while you wash your clothes.

\*Internal test for time, water and energy consumption of a 30°C Cotton cycle optimized with ProSense for a 1kg load vs. maximum load.

#### More flexibility with timesave plus — efficient washing in quickest time possible

Simply select the TimeSave option to reduce the duration of the cycle up to two steps, giving you an efficient wash that is as quick as possible.

- Capacity guide: Suitable for couples or flatmates.
- PowerClean59: A powerful 59 minute programme that thoroughly cleans clothes at just 30°C and in under 1-hour.
- Delicates: Gently washes the most delicate of fabrics.
