

An easy way to do laundry

Discover an effortless laundry routine with AutoSense. It adjusts washing and drying time based on the weight and density of your load to optimise energy and water consumption, ensuring great washing results every time.

Product Benefits & Features

AutoSense – effortless efficiency with every cycle

AutoSense adapts to your laundry routine. Sensors inside your washer-dryer measure the size of the load to optimise water and energy usage. You get great results regardless of the load's size or weight.

Less creases with EasyIron

The EasyIron programme leaves your clothes with fewer creases. During the gentle cycle, the drum alternates the direction of its rotation, allowing clothes to move more freely. So you spend less time standing over your ironing board.

-
- Capacity guide: Suitable for a single person.
 - Delicates: Gently washes the most delicate of fabrics.
 - TimeSave: Cuts cycle time by up to half for a faster, flexible wash.
 - Delay start: Choose the time you want your washing cycle to start.
 - Aqua control: An internal system which monitors the water level to detect leakage.
 - Outdoor/sports programme: A programme for heavily soiled clothes.
 - Prewash option

Product Specification

Washing Capacity (kg)	7	Product Number (PNC)	All Open
Max Spin Speed (rpm)	1400	Series	6000
Program List	20min 3Kg, Cottons, Delicates, Denim, Duvet, Easy Iron, Eco 40-60, Machine Clean, Mixed, Rinse, Spin/Drain, Sport, Synthetics, Wool/Handwash	Connectivity	No
Push Button Functions	DELAY START, Extra Rinse, ON/OFF, Prewash, Spin Regulation, STAIN, Start/Pause, Temperature, TIME SAVE	Spin Energy Rating	B
Noise Rating (dB)	A	Remaining Moisture (%)	53.9
Dimensions (mm) (HxWxD)	819x596x553(max)	Energy Consumption per 100 wash cycles (kWh)	52
Outlet Hose Length (cm)	145	Noise (dB)	69
Depth Max (mm)	553	Eco 40-60 Programme Duration (Hours & Minutes)	3:15
Motor Type	Inverter Motor+	Indicators	Cold, Delaystart, extrarinse, Prewash, Spped, Stain, Start/Pause, Temperature 5, Timesave
Drum Volume (L)	52	Drum Material	Stainless Steel
Display	Small LED	Rinse system	Anti-foam
Cord Length (m)	1.62	Energy Rating	B
Total Electricity Loading (W)	2100	Net Weight (Kg)	69.5
Plug or Hardwired	UK Moulded Plug	Gross Weight (Kg)	71
Wheels/Feet	4 adjustable feet	Main Colour	White
Voltage (V)	230-240		
Required Fuse (A)	13		
Frequency (Hz)	50		
Woolmark	801327023_woolmarkblue_ariellenor		
Drawer Compartments	3
