

SUPERIOR WASHING AND PERFECT DRYING COMBINED

The 8000 PowerCare Washer Dryer uses pre-mixing technology to activate detergent power, providing superior washing results even at 30°C, and in less than 1 hour. Items are dried but not overdried, helping to retain their look and feel.

Product Benefits & Features

POWERCLEAN. COMPLETE STAIN REMOVAL, EVEN IN LOW TEMPERATURES*

PowerClean utilises our pre-mixing technology to ensure that detergent is evenly distributed on your items, which provides proven complete stain removal in under 1 hour.* It also adjusts the drying time according to the load size. Delivering ideal laundry results.

*External test of PowerClean 59 min 30°C programme with 5 kg load shows 100 % stain removal of 59 most common household stains.

Specialcare wash-to-dry. customised care even for wool and delicates

SpecialCare Wash-to-Dry adapts to each fabric type for gentle yet effective cleaning. This Woolmark Blue certified machine, washes and dries everyday items, delicates, and wool. It also restores the water protection of your outdoor garments.

The universaldose drawer activates pods® 60% faster – giving extra power to quick and

UniversalDose is a unique drawer designed for PODS® capsules that uses tailored waterjets to soften, pierce and fully dissolve PODS® in the drawer, activating them 60% faster, compared to when placed in the drum. This gives extra power to stain removal in cold and quick 1-hour

*Internal test using a cotton 30°C one-hour programme, comparing PODS® in the UniversalDose drawer vs. PODS® in the drum

AEG Connected: Next level appliance interactivity

Use the AEG App to create your own settings and get smart tips and suggestions. Send customised laundry cycles and instructions to your appliance based on your individual preferences. Enjoy smart, efficient care via your smart phone.

GARMENTS REFRESHED*, WRINKLES REDUCED WITH STEAM REFRESH

Steam Refresh neutralises odours* and reduces wrinkles on garments, including delicates, in just 25 minutes, all without washing. And if you would like an extra boost of freshness, just add our aromatic steam fragrance, for that just washed freshness.

* External test show neutralisation of cigarette smoke odour in a Steam Refresh cycle.

- Washing capacity guide: Suitable for a small family.
- Condenser dryer: Moisture from the drying cycle is condensed and simply drains away.
- UniversalDose: A unique drawer with targeted waterjets that soften and dissolve PODS® faster than in the drum.
- TimeSave: Cuts cycle time by up to half for a faster, flexible wash.
- Quick wash: A quick wash that allows you to wash 3kgs at 30°C in just 20 minutes.
- Connectivity: Control your washer dryer via your smartphone or tablet.
- Aqua control: An internal system which monitors the water level to detect leakage.
- ProSense®: Measures the size of the load and automatically adjusts washing time, energy and water consumption.
- Wash&Dry 60: Wash in 20 mins or wash & dry a 1kg mixed load in just one hour.
