

### Perfect storage for fruits and vegetables

The 7000 GreenZone+ has a sealed drawer that creates optimal humidity for protecting fruits and vegetables. The humidity membrane prevents excess condensation.

## Product Benefits & Features

### Protect fruits and veggies with the GreenZone+ drawer

Perfect environment for healthy fruits and vegetables. The GreenZone+ drawer's sealing lid and humidity membrane combine to help optimise humidity and preserve fresh vegetables.

### TwinTech® No Frost - keeps food juicy and hydrated

TwinTech® No Frost has an advanced dual cooling system for the fridge and freezer. This technology ensures the freezer stays frost-free and the fridge humidity optimal, preventing the food from drying out.

### Stable, even temperature and humidity, with MultiFlow

MultiFlow protects food quality by maintaining stable, even temperature and humidity. Multiple air channels in the back wall actively circulate cold air to reach every corner and allow storage in the back without the risk of freezing items.

### ExtraChill drawer. For delicate ingredients

An additional pull-out drawer designed for organizing and storing delicate foods such as cheeses and cold cuts. It maintains a lower temperature than the rest of the fridge due to active circulation of cold air.

### Peace Of Mind Included

AEG produce quality home appliances that are built to last, all our appliances come with a 2 year manufacturer's warranty as standard to protect against manufacturing faults and defects that occur during this warranty period. See the terms and conditions for your manufacturer's

- TwinTech® NoFrost: Dual cooling keeps humidity in the fridge to prevent food from drying out, while the freezer stays frost-free.
- GreenZone+ drawer: This closed vegetable drawer automatically regulates the humidity level using a special membrane, to keep food fresh for longer.
- Extra cool: The temperature drops for a set time to quickly chill large amounts of food, then returns to normal—ideal for parties or BBQs.
- ExtraChill drawer: A drawer that's cooler than the rest of the fridge—ideal for meat, fish, and cheese.
- Open Door Signal: Visible & audible.
