

Cook with pots and pans of all sizes.

The 6000 TotalFlex Hob automatically detects pots and pans of various shapes and sizes, and creates a dedicated cooking zone for them. Offering you the freedom to move pots and pans almost anywhere on its responsive glass surface.

Product Benefits & Features

Use pots and pans of all shapes and sizes with TotalFlex

TotalFlex lets you cook with pots and pans of various shapes and sizes. You can also place, move, and arrange, pots and pans almost anywhere across the hob's large responsive glass surface.

Cooking zones automatically illuminate. With ActiveTouch

With Active Touch, the corresponding slider control automatically lights up when a pan is set down on the hob. All you need to do is set your desired temperature. It's an intuitive way of cooking.

Hob2Hood®: The hands-free hood

The Hob2Hood® function connects the hob and the hood. The cooker hood automatically adjusts the fan speed based on the heat, without lifting a finger. For powerful extraction when searing. And quieter extraction when simmering.

Quicker heat for extra speed with PowerBoost

A blast of fast. No more waiting around for pots to boil. The PowerBoost function gives you an instant burst of heat. PowerBoost is perfect for tasks that require you to boil a large pot of water quickly.

Each cooking zone. Individually timed

Once a cooking zone is in use, its timer can be accessed quickly and conveniently via the touchscreen display. No toggling through menus or other zones. And because each dish can be precisely timed, absolute control over the cooking process is assured.

- Hob2Hood®: Allows you to control the cooker hood via your hob.
- PowerBoost: Gives an instant increase in temperature allowing water to boil in less than 90 seconds.
- Pause functionality allows you to take short breaks without losing your cooking settings.
- OptiFix™: Only one step to install the hob.
- EcoTimer™: Saves energy by using the residual heat from the hob, turning off the cooking zone before the end of your timer to boost efficiency.
- TotalFlex: Use pans of any shape and size for fully flexible cooking.
- Child lock safety function.
- Minute Minder
- Individual Zone Timers: Set a separate timer for each cooking zone on your hob.

Product Specification

Series	6000	Wok burner	No
Main Colour	Black		
Plug or Hardwired	Hardwired connection only		
Dimensions (mm) (WxD)	780x520		
Built-in Dimensions (mm) (HxWxD)	44x750x490		
Cord Length (m)	N/A		
LED Colour	Red & White		
Left Front - Power/Diameter	2000/3000W/180x220mm		
Front Middle - Power/Diameter	2000/3000W/180x220mm		
Rear Middle - Power/Diameter	2000/3000W/180x220mm		
Right Front - Power/Diameter	2000/3000W/180x220mm		
Left Rear - Power/Diameter	2000/3000W/180x220mm		
Right Rear - Power/Diameter	2000/3000W/180x220mm		
Control Type	RoadRunner		
Gas Supply: Natural Gas	N/A		
Gas Replacement	N/A		
Product Number (PNC)	ER		
Pan Support Type	N/A		
Number of Cooking Zones	6		
Hob Type	Induction Hob		
Frame Type	Bevelled 2 Sides		
Hob Safety	Automatic Switch Off		
Total Electricity Loading (W)	7200		
Net Weight (Kg)	20.93		
Gross Weight (Kg)	23
