## AWT714S 7kg 1400 spin integrated washing machine

No Image  
Available

### Features

- Wash load: 7kg
- Spin speed: 1400rpm
- Programmes: 16
- Childlock
- Safety Key Lock
- Anti-flooding safety
- Overflow protection
- LED display
- Delay timer
- Eco-logic
- Stainless steel drum
- Variable wash temperature
- Variable spin speed
- Extra rinse function
- Intensive wash function
- Delicates wash function
- Allergysafe function
- Cold wash
- Wool wash

### Technical specification

- Mains lead length: 1500mm
- UK plug
- Moisture content remaining: 53%
- Brushless motor: Yes
- Noise efficiency class: B
- Noise level (spin): 76dBA

### Energy

- Energy rating : B
- Spin rating: B
- Energy consumption per 100 cycles: 52
- Left on mode power consumption: 1
- Water consumption per weighted cycle: 45

### Wash functions

- Wool wash
- Delicates wash function
- Extra rinse function
- Intensive wash function
- Quick wash function
